THE VISTULA 1957

Fremont High School
Fremont, Indiana

The ringing of the school bell is a familiar sound to the citizens of Fremont. A new day is beginning; a day of learning, challenge, and enjoyment to the students of Fremont High School.

This bell serves as an alarm clock to awaken the seniors in time for their first period classes, it reminds the underclassmen that they have only two minutes until their next class, and that there isn't time to loiter; it tells the basketball fans that it is time for a pep session, and the bell rings to let the students know it is the close of another day.

It is now time for the faculty and students to hurry home and prepare for an exam, for a dance or contest, play practice, a chili supper or a ball game.

Yes, this bell shall long ring in the teen-ager's memories after their high school years.

It is the bell that keeps F.H.S. on the go!

Activities

"Don't forget about that meeting tonight!" you hear someone yell.

"Yeah, I'll be there!" Is the reply.

This is heard almost everyday at F. H. S. The students and faculty have worked and planned together in trying to interest more and more people in joining our various clubs and activities. That these organizations are being accepted is proved by the large number of students entering them.

The extra-curricular activities help the students to become better acquainted with one another, to develop our own opinions, learn to understand our classmates, to make lasting friendships, and also to learn to respect other people.

Through fun and hard work these club programs will broaden our lives and better prepare us for the future as they keep us, F. H. S. on the go!

National Honor Society

The importance of scholarship, citizenship, leadership, and character should not be overlooked. The students who live up to these rigid standards are eligible for the highest honor which they can receive in high school.

This organization is the National Honor Society. The students must attain a B average and be at least a junior. They must also fill the requirements of good conduct, fine character, and leadership ability shown by their participation in extra-curricular activities.

The projection club is sponsored by Mr. Halsey and the training offered is important in teaching high school students how to operate the movie projector machine. A five week course is required before the students are allowed to run the projector.

A few standards necessary in order to be a member of the club are above average grades, satisfactorily complete the five weeks training, and pass a test given at the end of the course.

Vistula Staff

The yearbook requires much time and effort. The drawing and writing must be repeated for each page until the book is ready for publication.

This year two juniors were added in order to gain experience for next year.

Beverly Gilchrist and Dianne Ebejer attended a two week journalism course at Indiana University, which has helped bring new ideas making the 1957 Vistula different in style and arrangement from any in previous years.

The staff consisted of the following people:

Editor-In-Chief. Beverly Gilchrist

Associate Editor. Gail Chapin

Lay Out Editor Mariannette Burrell

Assistant Lay Out Editor Dianne Ebejer

Literary Editor Shirley Berry

Sports

"Don't ever fall, and we will boast of you always!"

This is the closing refrain of the Fremont school song.

It symbolizes the enthusiasm, team work, sportsmanship, and self-expression that arises from athletic events.

There is nothing like the thrill of a ball game or track meet. Whether it's a close game with only seconds until the final gun, or the opposing baseball team hit another home run, or two members of the track teams tie for first place in the high jump and must compete again. At the sound of the gun one can hear the fans cheering for the winning team. The tourneys, pep sessions, the many trophies, trouble of finding transportation to the basketball games, the season ticket sale, elections for track queen, the celebrations and bon-fires express the spirit of each student. Our great enthusiasm for sports has kept F.H.S. on the go!

EAGLES WIN CHAMPIONSHIPS

The fast windup, the varied pitch, the powerful hit, and the long hours of practice started the Eagles off to another successful season.

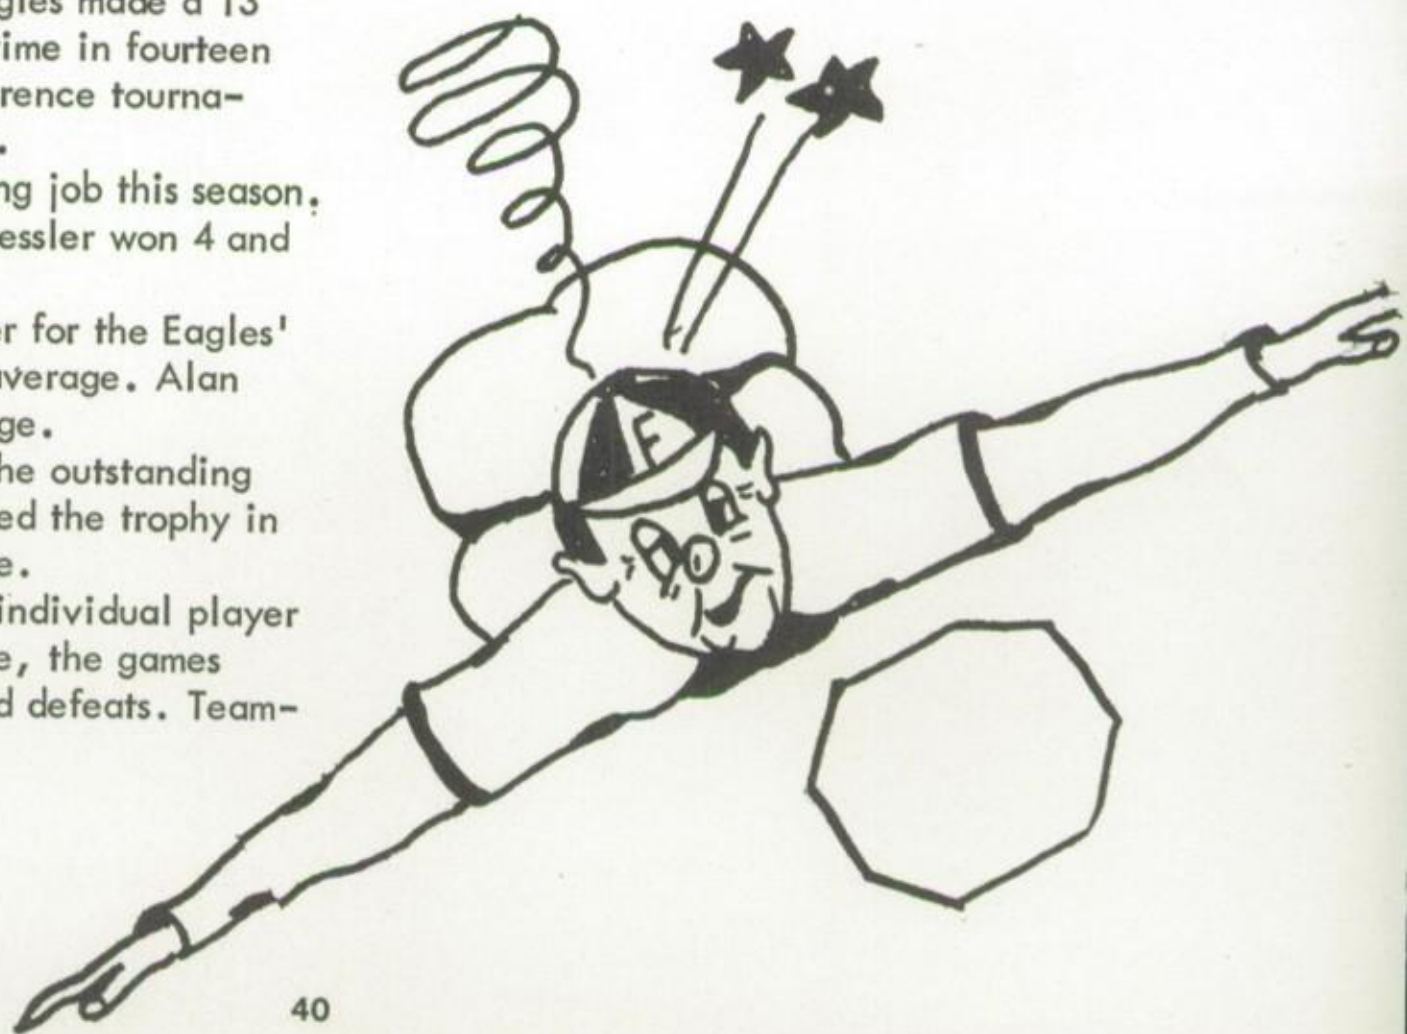

The baseball team won five games out of six this year. In the county tournament the Eagles made a 13 to 0 victory over Salem. For the first time in fourteen years the Eagles won the Corner Conference tournament by a score of 10 to 2 over Avilla.

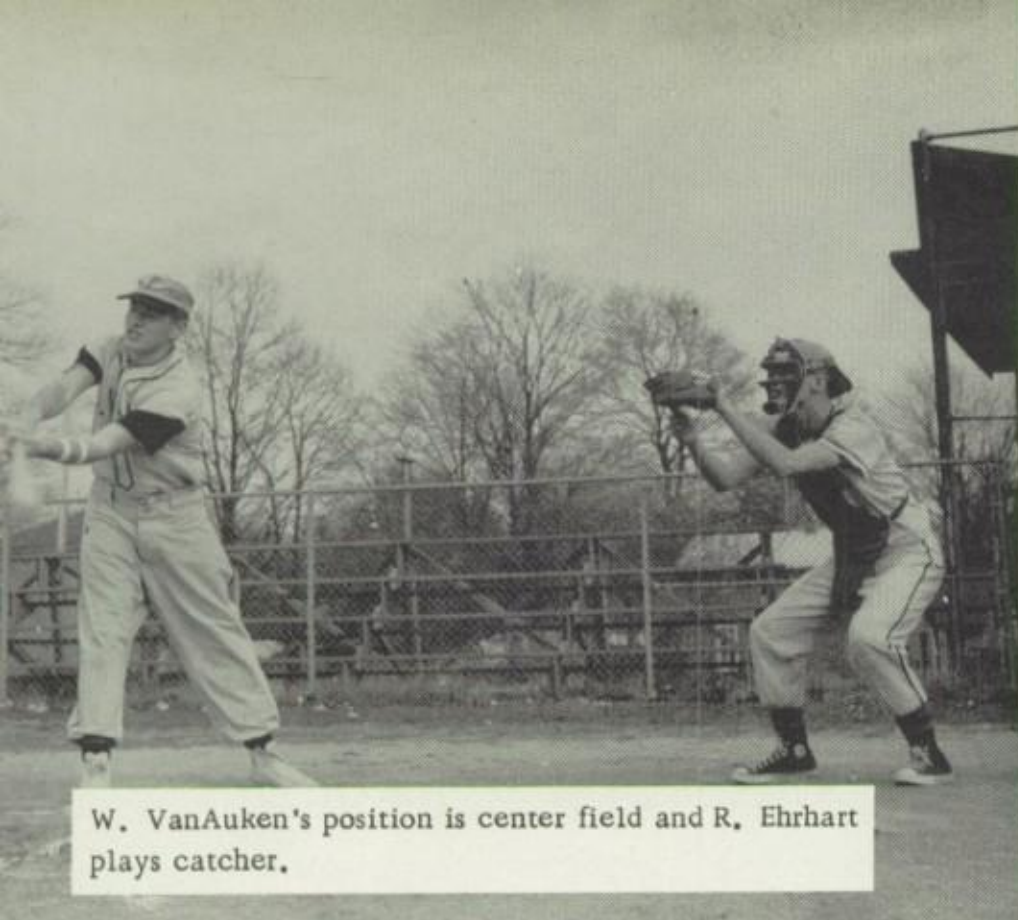

The pitching staff did an outstanding job this season. Rod Wells won 5 and lost 0. LaVern Bressler won 4 and lost 1.

Robert Fisher was the leading batter for the Eagles' team this season, maintaining a .474 average. Alan Sidel was runner-up with a .405 average.

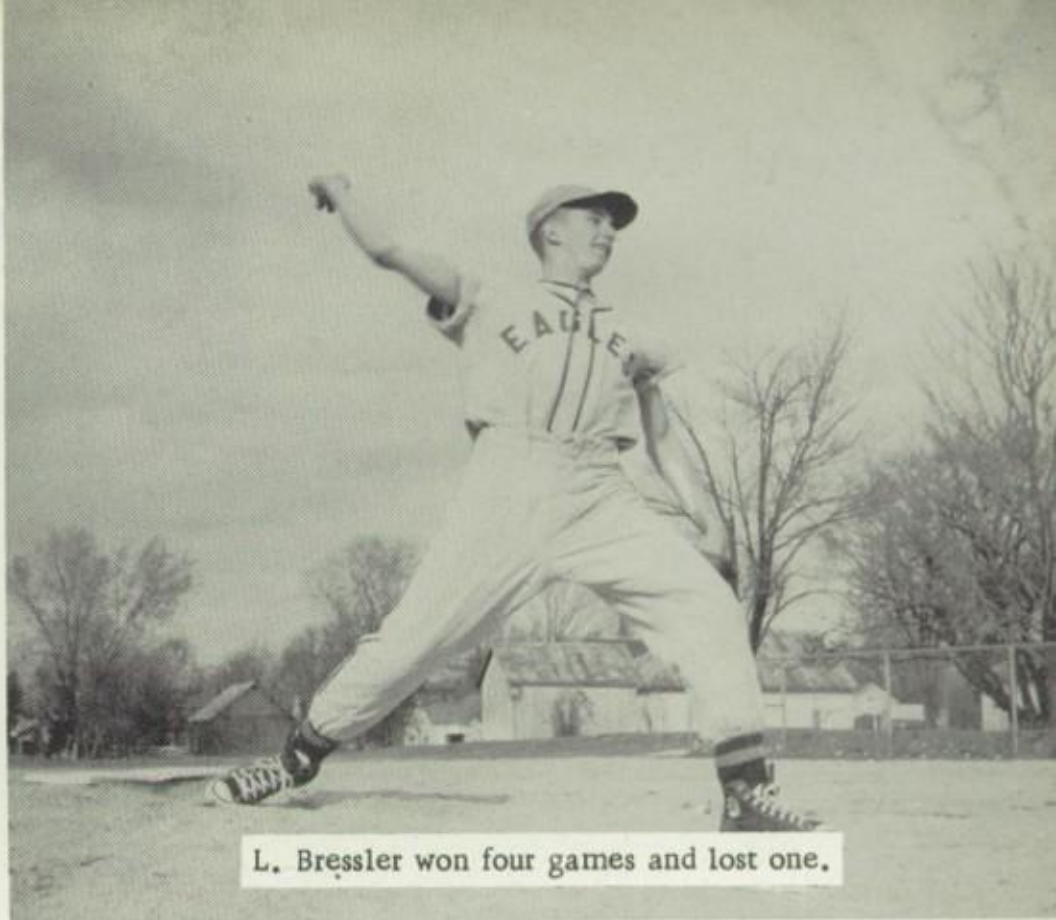

In each sport a trophy is given to the outstanding athlete. This year Robert Fisher received the trophy in baseball for the highest batting average.

The outstanding teamwork of each individual player was shown by the long hours of practice, the games they played and won, and the accepted defeats. Teamwork kept F.H.S. on the go!

W. VanAuken's position is center field and R. Ehrhart plays catcher.

L. Bressler won four games and lost one.

The Eagles successful season consisted of winning the liberty bell, the dope bucket, county tourney trophy, and the corner conference trophy.

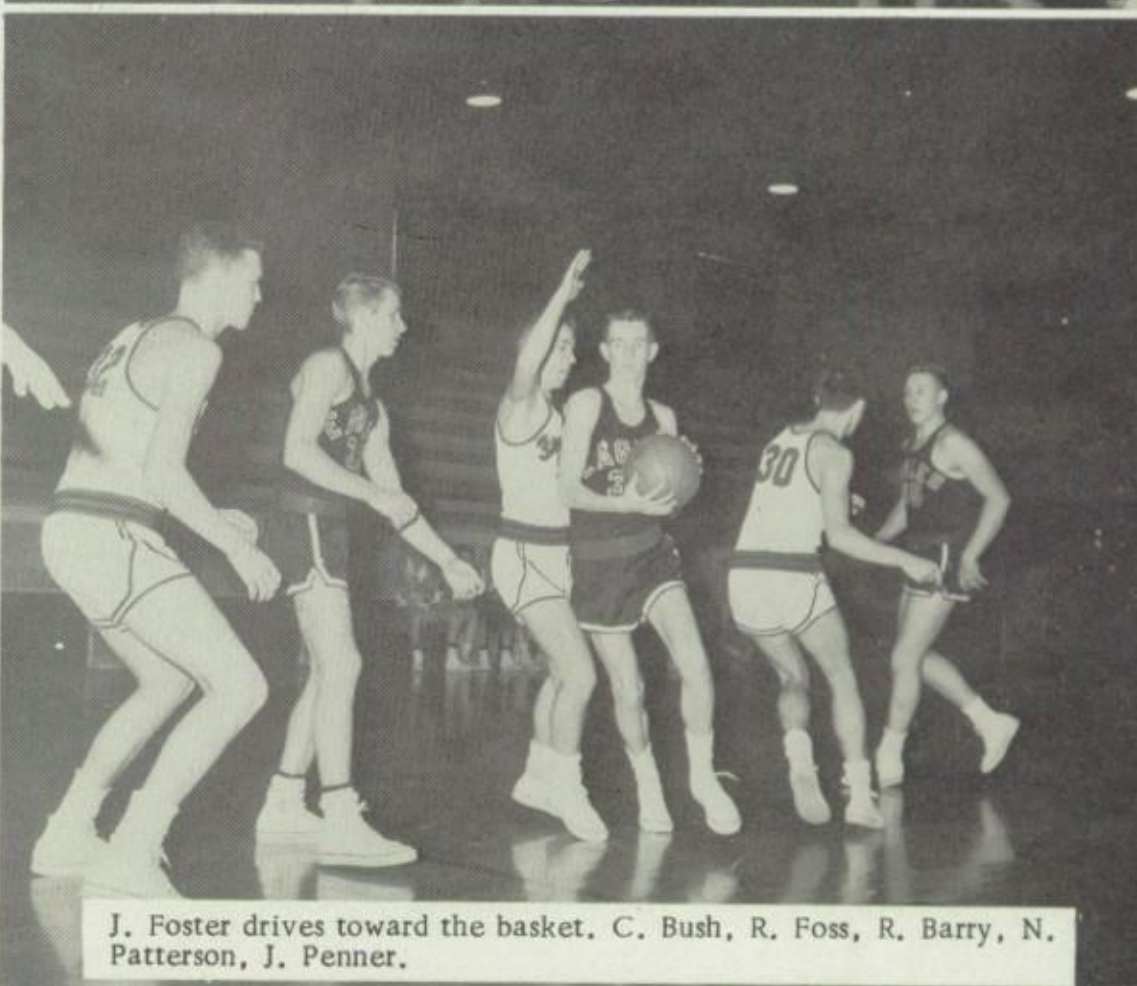

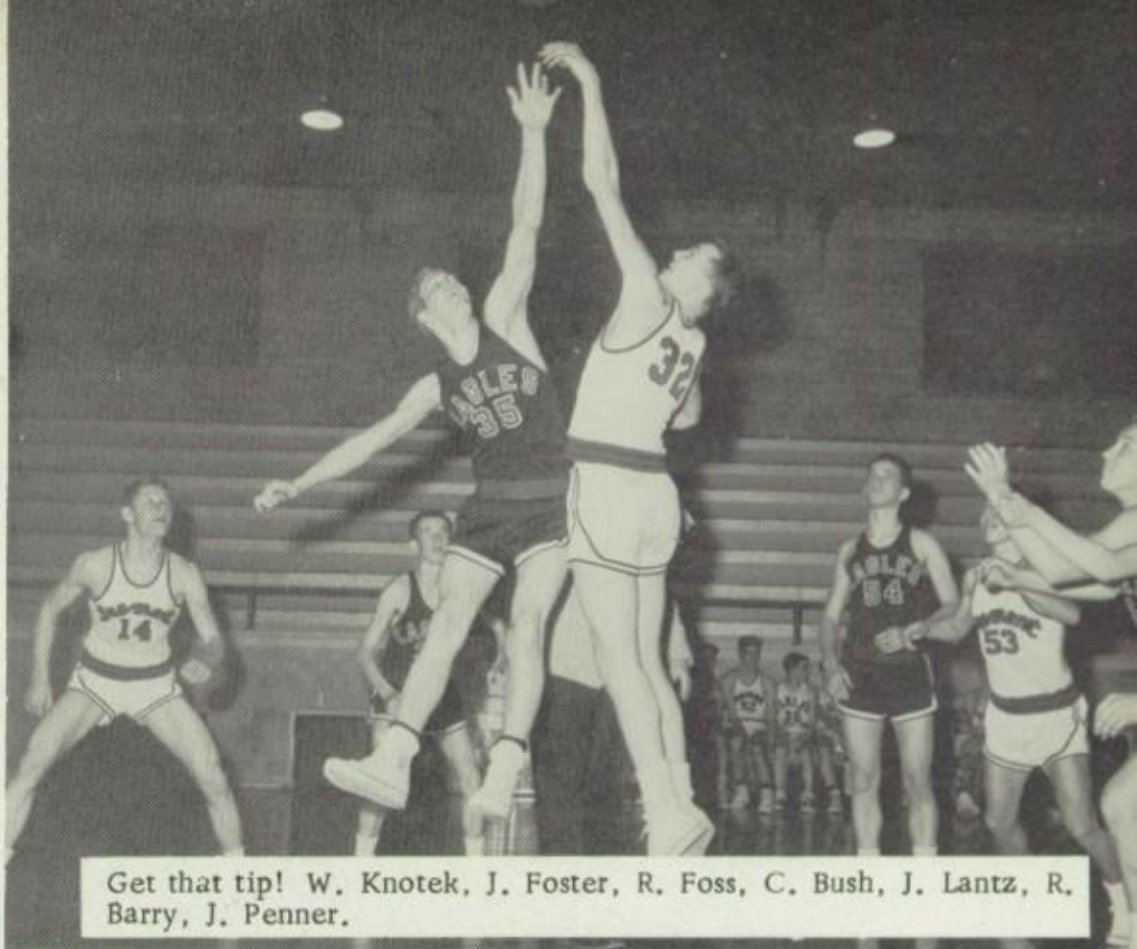

The boys broke former records this year by losing only two games, the finals of the blind tourney and the sectional. This is the first year that Fremont has won all their seasonal games.

Rod Wells received the free throw trophy which is given every year to the player with the highest number of free throws.

The Junior Varsity team won twelve games and lost eight.

With four juniors on the varsity team, Fremont has another good season to look forward to next year.

The girls attended cheerleading conference at Indiana University where they received helpful information on new techniques, unique yells, and ideas for cheering blocks.

The girls uniforms consisted of black slacks with red stripes, black sweaters with red eagles, and white blouses.

The originality the girls used in their formations and chants helped to produce a large and enthusiastic cheering section.

Pep, vigor, and originality helped keep F.H.S. on the go!

Co-ordination, originality, and co-operation are needed for effective yells.

This routine attracts the attention of the fans.

For the first time at Fremont the Junior Varsity dressed in the uniforms identical to those of the Varsity Cheerleaders.

The co-operation, team spirit, and the combination of their yells lifted the morale of the fans and the basketball team.

Chants, songs, and yells helped to keep F.H.S. on the go!

The boys involved with the winning of the trophies in the picture are members of the Lettermen's Club, an organization for those who take an active interest in some phase of athletics, such as baseball, basketball, and track.

Yes, work is the key word to success. Realizing this, the boys are willing to sacrifice time and put forth extra effort to accept challenges, and through experience become and stay champions.

The trophies are a symbol of the fighting spirit and determination to come out on top which has always been shown by the students in Fremont High School. Those pictured have been won in the last three years and include the sectional, corner conference, and county tourney.

People

People are governed by five basic inner controls which contribute to the growth and development of their personalities.

These are habits, attitudes, conscience, character, and ideals.

The growth of these five essential inner controls is acquired at home while we are still very young. When we enter school, these controls are developed more as the years of training and experience progress.

After childhood has left us and we enter maturity, we realize that in a few short years, we will no longer be able to depend on our parents and teachers for guidance. Realizing this fact, we seriously consider the future and decide which alternative will make the difference between success and failure.

If the training and influence of our parents and teachers has been beneficial to us, the decision may not be so difficult.

Yes, with twelve years of study, joy, tears, and experience, we are ready to cope with the future.

By taking a brief look at Fremont High in the next few pages, you will see that well developed habits, a good attitude, clean moral character, a clear conscience, and high ideals keeps

F.H.S. on the go!
